

COMMUNITY HELP IN ST LEONARDS.

The SLNA has been contacted by many kind people who are prepared to help others in these difficult times. We therefore have a list of people willing to help people in need.

HOW WILL IT WORK?

If you, or anyone you know of, is isolated and unable to get out of their house please contact the SLNA and we will put you in touch with a volunteer who will hopefully be able to help you. The shops in Magdalen Road which supply essential daily items are doing their best to stay open and comply with the government advice over social distancing, we should help them with our custom as much as we can.

WHAT SORT OF HELP?

Shopping for essentials; just a chat; how to use computer systems to help reduce isolation; advice or where to get advice.

This service is not for people who can get out of their houses, it is not a free shopping and delivery service for anyone, it is for people who are isolated and can't get out.

You have received this email because you showed interest in the future of the Deaf Academy Playing Field and you ticked a box which indicated that you were prepared to receive community information. We will certainly not bombard you with emails, but we thought that this was an acceptable way of reaching out to the community in these difficult times.
